of the
Conde Cavalier Mardi Gras Fishing Rodeo TM**

Are proud to present the

24th Annual MYSTERY FISH AWARD

In MEMORY of

JERRY TURNER

**Founding Chairman
of the**

Conde Cavalier Mardi Gras Deep Sea Fishing Rodeo TM

This award continues the tradition of awarding a cash prize to one lucky angler each year.

Simply put, the rules are as follows.

1. The names of all fish species, that are categories on our leader board, are individually sealed in an envelope.
2. Before the rodeo begins each year, one envelope will be drawn from the stack.
3. At the conclusion of the rodeo, during the awards ceremony, the envelope will be opened.
4. The angler that holds the first place fish in the chosen category, when revealed, will receive the cash award.
5. Once a species is chosen, that species shall be excluded from the drawing for a period of six years, to allow the possibility of a greater number of species to be drawn without repeating.

The winner of the **Mystery Fish Award** in 2021 was
Jacob Coratti who took first place in the Ling category.
